

DEPARTMENT OF MANAGEMENT STUDIES

INTRODUCTION

The management programme (MBA) is the flagship program of the institute; it was instigated in the year 2006, with an intake of 60 and in 2011. The focus of the MBA curriculum is on developing a learning manager who is able to adapt to the fast changing world around him/her, without losing sight of the underlying values and ethos that drive the world. The curriculum places great emphasis on the ability of the student to bring to bear an integrated view on managerial problems on his/her ability to apply and learn in live situations.

The core strength of the MBA Programme is the extensive coverage in the field of specialization along with exposure to a wide array of quantitative and qualitative analysis tools. These Programmes are aimed at broadening the outlook and strengthening the skills of participating professionals to prepare them for a dynamic and constantly changing work environment. GRIET's hallmark is its strong focus on strategic thinking, thought leadership and key disciplinary skills necessary to operate in today's dynamic and challenging global environment. With a culture of academic and practical excellence. GRIET-Department of Management Studies has an excellent infrastructure for academic, sports activities and relaxation. Its state-of-the-art infrastructure serves every conceivable need of the student. Department of management studies offers its students a dual advantage of well-equipped campus of GRIET and the customized facilities tailored to the needs of the Management students. The GRIET campus includes a main computer center, main auditorium, conference and seminar halls, and canteen.

Teaching methodology at GRIET, in the Department Of Management Studies, include lectures, seminars, business games, simulation exercise, mini-projects and field visits incorporating formal and informal group dynamics. The regular features of the same also include a curriculum, which boasts exhaustive case studies and challenging role-plays, thereby enhancing in depth knowledge in a specific field with excellent communication skills.

The off-campus workshops held by the Department Of Management Studies academia along with compulsory mini projects help the students in gaining insights into the realities of the business world.

Doctorates in DMS
