Summary of the Event	<p>We met Devi Singh at his home in Dhoolpet. He told us about the critical conditions of the mini-stadium where he coaches for wrestling. All the students belong to very poor families who cannot afford any sort of coaching. At present, the academy has about 4050 students out of which 15 are young girls. 8 of these wrestlers have been to Nationallevel wrestling competitions and have won several medals. There is a lack in the number of wrestling mats and a cover making it difficult for all the students to practice simultaneously. We visited the wrestling academy and met the students. We observed all the students putting in great efforts into wrestling with immense concentration and dedication. The practice room does not have fans in working condition and lacks proper ventilation, making the practice area very claustrophobic. Girls and young boys practice on the mats without a mat cover which causes major injuries. Students cannot afford</p>
	<p>glucose which is an essential part of their practice and diet. Summary of the Event	<p>We the members of Street Cause-GRIET, have done an event called Eco-Danta Mela which runs on distributing of eco friendly Ganesh idols which are made of mud.</p> <p>We have brought 107 idols pricing & 120/- each. These clay/mud Ganesh idol were distributed within the residential area where the members of Street Cause reside with utmost hygiene and care. We the members of Street Cause members have contacted the residents of our respective community/building through calls and messages and stuck posters in the building to create awareness in the community/building. Through our posters we have explained about Street Cause is i.e., it is an NGO. We have received good response from them.</p> <p>BUDGET SPLIT AND PROFIT:</p> <p>Total amount invested: (Idol count* price) = (107*120) = ₹12,840/-</p> <p>Total profit: Total sum we got: (idols*price at which the idols are sold)-invested amount = (107*200) 12,840 = 21,400- 12,840 Rs. 8,560/-</p>
