Overview of the events:

Tech talk: This was conducted on 29th August, 2019 with an objective of exposing the students to emerging technologies and promote the student body by giving a brief about all the clubs within it. The introduction, conclusion

sessions including all the club description were handled by the respective club heads.

The technology stack overview was given by T.Vivek of 4th year considering all the upcoming technologies, applications, platforms for better learning and necessity of active participation in this competitive era. This Tech talk was a huge success with just students handling the whole event.

Quizbee.1: Quizbee.1 was conducted for 2nd and 3rd years of all branches in the ECE block seminar hall. Around 60-70 teams participated in the event. The event was based on general knowledge and current affairs completely. It was

online based and conducted on moodle. Winners were given prizes and certificates of participation. The event was organized and volunteered by all the I.E.T.E members and was headed by three faculty of E.C.E - Ms.Uma Suseela, Ms.Hima bindu and Ms.Pratyusha.

Code hunt: Code hunt was conducted on 10th, October under the Tech fest PRAGNYA. The event is finding the blocks of code through the clues provided within the campus premises. The event also had fun activities like blowing balloons in between. . A total of 10 teams participated and the winners were given certificates of participation.

Quizbee.2: Quizbee.2 was conducted exclusively for 1st years of all branches in the ECE block seminar hall. Around 50-60 teams participated in the event. The event was similar but version 2 of Quizbee.1. Winners were given prizes and certificates of participation by Dr.Jandhyala Murthy,Director of GRIET, along with Dr.Swetha,HOD of ECE Department.

The event was organized and volunteered by all the I.E.T.E members and was headed by three faculty of E.C.E - Ms.Uma Suseela, Ms.Hima bindu and Ms.Pratyusha.

I.E.T.E recruitments: IETE recruitments were conducted on 15th, February,2019. The interviews were handled individually for all the clubs by the respective club members under the guidance of club heads. The core interviews were of 2 sessions JAM and personal interviews. The students were tested on their skills required for the clubs. The team shortlisted and finalized the best performers for each and gave corresponding roles to handle under the respective clubs.

Meme crafting: This event was conducted on 26th March, 2019 online. The event was about creating entertaining and funny memes on the themes provide. The themes included were movies, TV shows and sports. The memes were submitted online and the team finalized the best meme crafter as winner and they were given gift hampers. Also the best memes were posted on IETE official instagram page.

Conclusion:

We, the members of IETE put our extreme efforts to bring the best outcomes from each event. Students from all the clubs coordinated well to organize and manage all the events in a prolific manner.
