

6 April, 2018

The following members attended the meeting

- 1. Dr Jandhyala N Murthy - Jandhyala
- 2. Dr J Praveen - J. Praveen
- 3. Mr B Saitanath -
- 4. Dr SMN Bhasakar Rao - SMN Bhasakar Rao
- 5. Dr. D.G. Padhyay (EEE) - D. G. Padhyay
- 6. Mr DS Nagaxaju (ME) - DS
- 7. Ms A UshaSree (ECE) - A. Usha
- 8. Ms S Bhargavikatha (CSE) - SBS
- 9. Dr Padmalaya Nayak (IT) - P. Nayak
- 10. Dr C Lavanya (CE) - C. Lavanya
- 11. Mr. V.S. Sai Kumar Reddy (BS) - V. S. Sai Kumar Reddy
- 12. Dr. J. Sudevi - J. Sudevi

Member secretary welcomed the members to the meeting emphasising the importance of involving experts from varied fields and students in the committee.

Chairman of the session, Principal initiated the proceedings and introduced members and the following agenda points are discussed.

S.NO	Item	Action by
1.	Review of minutes of previous meeting: Member Secretary presented Action taken Report on the previous meeting minutes. Members approved ATR.	All Members
2.	Submission of SSR: As NAAC accreditation for cycle 1 is valid upto 13 July, 2018, we have submitted SSR on 8 Dec 2017 and SSR on 29 Jan 2018. As part of NAAC preparation mock visits are to be conducted by internal and external members, experts in all the aspects of NAAC accreditation procedure and all departments functionaries are to be geared up for the coming inspection. All HODs are advised to be prepared for internal and external mock visits of NAAC accreditation from 07 April 2018.	All Members
3.	Implementation of AICTE model curriculum: The key discussion among the members is mainly on AICTE model curriculum considering the inputs from industry persons for 2018 intake students for both UG and PG to fill the gap between academics and industry oriented projects, professional threads, open electives, MOOs etc. with proper balancing of the core and specialized electives. It also helps to students in acquiring professional ethics and an awareness to society. Also credits are reduced and standardized for UG programs at 160, so that students can utilize the extra time for self-development. All HODs are advised to implement AICTE model curriculum from the Academic year 2018-19.	All Members
4.	Result Analysis: Member Secretary informed the members about the result analysis of M.Tech. Members discussed to initiate quality measures to sustain improve	All Members

For the Academic year 2017-18 I Semester

M.Tech Specialization	Pass percentage
DFM	82
TE	52
PE	67
PS	57
VLSI	93
ES	76
CSE	96
SE	90

Members directed departments to organize inter and intra institutional workshops, Seminars on quality related themes.

#### 5. Rankings of the Institute

Member Secretary informed GRIET was ranked amongst 151-200 rank band in Engineering category and overall category by National Institutional Ranking framework 2018 (NIRF) of Govt. of India. Chairman has also explained to improve the rankings of the institute. Other ranking in Times of India Engineering Institute Ranking Survey 2018.

All Members

- 3rd Rank in Top 25 Private Engineering Institutes in India.
- 4th Rank in Top 10 private Engineering Institutes in Telangana & Andhra Pradesh
- 14th Rank in Top 20 private Engineering Institutes in South India.

It is resolved that the following areas to be concentrated.

1. Improvement in R&D grants
2. Improvement in consultancy work
3. Induction of more Ph.Ds and faculty
4. Encouragement to faculty to enroll for Ph.D
5. Focus on generating income on patents.

6. NBA Accreditation: chairman informed the members that GRIET has applied for accreditation for Seven PG Programs M.Tech (PS, Stru. Engg, VLSI, ES, TE, CSE, SE). All HODs are advised to focus on completion of the corresponding NBA inspection work in all aspects.

All Members.

7. website update: Members discussed the need for website updation for all inspections like NBA, NAAC. All HODs are advised through department website coordinators to maintain college website as well as departments website up to date in all aspects.

8. Dr. Padmalaya Nayak (IT) - Full
9. Dr. D.G. Padhan (EEE) - Full
10. P.M. Rekha (English) - Full
11. G. Chaitanya (Mechanical) - Full

Member Secretary welcomed the members to the meeting emphasizing the importance of involving experts from various fields and students in the committee. Chairman of the session, Principal initiated the proceedings and introduced members and the following agenda points were discussed.

NO	Item	Action by
1.	Review of minutes of previous meetings. Member secretary presented Action taken Report on the previous meeting minutes.	All members
2.	Review of Co-Attainment (external & Internal) for 2016-17 I & II Sem: Members reviewed Co-attainment for 2016-17 2 sem and informed to collect Action Taken Report by the concerned faculty of 2016-17 I sem for course outcome	

informed to analyse Co-attainment for 2016-17 I sem (external). Chairman informed to have a periodic check of Course outcome Attainment and its mapping on to POS and PEOs. Chairman stressed the need for this audit by IQAC member at the end of each semester.

All members

### 3. Co-PO Mappings:

Chairman informed to obtain Co-PO Mapping by the member after collecting COS in the concerned department.

All Members

### 4. Result Analysis:

Chairman informed the members about the result analysis of 2017 passed out batch. He informed all the members to initiate quality measures to improve the result status. He informed all the members to organize inter and intra institutional workshops, seminars on quality related themes and promote quality circles.

All Members

### 5. Rankings of the Institute

Chairman explained the importance of Rankings in educational institutions. He has listed various rankings and recognitions in 2017. He informed ARIET was ranked amongst 151-200 rank band in Engineering category and Overall category by National Institutional Ranking Framework 2017 (NIRF) of Government of India. He has also explained to improve the rankings of the Institute.

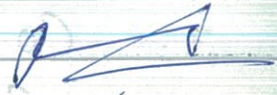

All Members

6. Accreditations like NBA, NAAC:

Chairman informed the members that GRIET has applied for accreditation for M.Tech of 7 branches (PS, Stru. Engg, VLSI, ES, AFM, TE, CSE, SE). Further he has also informed to apply for NAAC accreditation by 30<sup>th</sup> Nov 2017 for renewal

Member Secretary welcomed the members and emphasised the role of IQAC. Chairman initiated the proceedings by introducing ARIET achievements and introduced the following agenda points for deliberation.

- Review of previous meeting on 03-Feb-2015 and Action taken report :-
  - Chairman informed all about introduction of students as members in the Committee as they are important stake holders.
  - Strategic planning: The members were informed that ARIET initiated strategic plan for 2015-20 under the chairmanship of Dr. T.C. Sarma. They will be finalizing the report by taking feedback from all stake holders by 22 Aug 2015.
  - Chairman notified the members that ARIET signed MOU with TCS on 09 May 2015 emphasising the industry involvement in academics as per the needs of the industry. ARIET also established two incubation centres, signing MOU with Bus i solutions on 20 Oct 2014, to work with students of CSE, IT & MCA in web technologies and mobile Technology and one MOU with technotexies on 06 Feb 2015 for students of EEE, ECE on industry oriented projects.
  - Placements: Chairman informed the members that ARIET is striving hard to improve placements. In this regard 5 CRT programmes conducted as aptitude training soft skills and verbal ability training by companies like globareers, Emerge Finishing School, Mahindra are shown to members. He informed that so far 442 students of ARIET got placements in 62 reputed companies. Members appreciated the Action taken so far.

2. NBA Accreditation: Chairman informed that GRIET has got NBA accreditation for B.Tech (EEE, ECE, ME, CSE, IT) branches and this year applied for accreditation for B.Tech (Civil), M.Tech (DFM&PE) Programmes. Further he notified to the Committee that GRIET is following OBE system of education as per Washington Accord. Accordingly each program is guided by them PEOS, POS and each course having them COS, reflecting the Institutional, departmental vision, mission and quality policy. Members reviewed outcome and objectives of all programmes and recommended for ratification by Academic Council.

All Members.

3. New Academic Year 2015-16: Implementation of Choice Based Credit System (CBCS)  
Chairman explained the members that from 2015-16 academic year GRIET would follow Choice based credit system (CBCS). The total credits would be 200. Grade points based on percentage of marks will be awarded for each course on scale of 10 with letter grade ranging from outstanding to absent.

All Members.

Letter Grade	Grade points	Percentage of Marks
O (Outstanding)	10	Marks $\geq 80$ and marks $\leq 100$
A+ (Excellent)	9	Marks $\geq 70$ and marks $< 80$
A (Very Good)	8	Marks $\geq 60$ and Marks $< 70$
B+ (Good)	7	Marks $\geq 55$ and Marks $< 60$
B (Above Average)	6	Marks $\geq 50$ and Marks $< 55$
C (Average)	5	Marks $\geq 45$ and Marks $< 50$
P (Pass)	4	Mark $\geq 40$ and Marks $< 45$
F (Fail)	0	Marks $< 40$
Ab (Absent)	0	

Chairman thanked all the members for their valuable suggestions and the next meeting is scheduled for Feb 2016.

(Dr. D. Sankar)

## IQAC Meeting

IQAC meeting was held on 3.2.2015 at 2 pm.

The following members attended the meeting

Member Secretary welcomed the members to the meeting emphasising the importance of involving experts from varied fields and students in the committee.

Chairman of the session, principal initiated the proceedings and introduced members and the following agenda points were discussed.

S.No	Item	Action By
I	Student participation in Internal Quality:- Chairman informed that there is need to involve students in internal quality improvement process. He also mentioned that for the first time GRIET included students into IQAC.	All members
II	Strategic planning 2015-2020:- GRIET has been periodically revising its strategy. It had plans 2005-10, 2006-2015 and now committee is formed to prepare for 2015-20, taking suggestions from all stakeholders. Chairman directed all to assist the committee with in their capacity through feed backs to prepare plan by July 2015.	All members.

III Institute and Industry Interactions  
principal informed the members All members that students of GRIET do mini and major projects with industry orientation. Regularly guest lectures are being conducted by academic/industry experts including R&D organisations to encourage students to have more industry oriented training and internship practice is to be included into the system with an idea of making every project leading to a product and/or patent. It was suggested that the internships should have faculty support from the institute too. student members suggested to make the industry internship mandatory and it can be done any time before they reach IV-I semester and chairman informed that this point is under consideration with Boards of Study for future regulations as currently internships not part of curriculum, but are essential feature.

IV placements:- Chairman informed everybody that GRIET is continuously

striving to improve placements and said 350 students were placed this year till date and it is resolved that continuous efforts need to be put in to improve it.

V on any other point:-  
student member requested All members for library e-book resource enhancement. chairman informed the students that the e-resource is available and it can be used by the student community, and each student should make resolve to use our excellent library resources. Information is available on college website.

chairman thanked all the members for their valuable suggestions and the next meeting is scheduled for April 2015.

Minutes of the meeting mainly focussed on co-extra and NSS activities.

Principal addressed the staff members regarding co-extracurricular activities, NSS and environmental and society concerning programs in this regard.

S-NO.	Point	Action by
-------	-------	-----------

I	Principal instructed all the IQAC members to encourage students to organize and conduct various co- and extra curricular activities for all over development.	
---	---------------------------------------------------------------------------------------------------------------------------------------------------------------	--

II	He also mentioned that these are to be conducted at different calendar timings spread throughout the year.	
----	------------------------------------------------------------------------------------------------------------	--

III	He asked IQAC members to conduct events like pragnya - a technical event. Pulse is conducted as a college 'fest' involving various student activities.	
-----	--------------------------------------------------------------------------------------------------------------------------------------------------------	--

ACHIEVEMENTS

December

SNO

POINTS

ACTION BY

In earlier IOAC meeting ( ) it was suggested by director and Principal that there is a need for GRIET to focus on industry, interactions, innovative products and R & D. On this connection this meeting is conducted to review the progress achieved in 2012-2013. Principal informed all the IOAC members that:

- GRIET has membership in CIT since 2012
- Guest lectures related to industries and entrepreneurship have been organised.
- Seminars have been organized in all the departments.
- Industrial visits, projects and internships were strengthened.
- Innovative projects were increased / products developed.
- More funding has been received from R & D agencies like:  
2012-13:                      2013-14:
- Research publications have been increased.
- More number of faculty were encouraged to pursue Ph.D.
